

My Date With A Vampire – Episode 2

Let's Have Your Fortune Read

Siu Ling: Zhen Zhen.

Zhen Zhen: Siu Ling! Skiing is really fun! No wonder so many celebrities come here to ski.

Siu Ling: Is it that fun? Where's Fong Tin Yau?

Zhen Zhen: I asked him to join us for a meal but he said he wasn't hungry. It's strange that he doesn't have to eat anything for a whole day.

Siu Ling: Why are you so concerned about a person you just got to know?

Zhen Zhen: I'm also very concerned about you. Isn't it good to show concern?

Siu Ling: It's good but too much of it will mean a different thing. It seems to me that you've reaped the most returns this time round.

Zhen Zhen: Nope.

Siu Ling: Since you're unaware of it, let's have your fortune read. (Spreads out a stack of cards on the table). These are tarot cards and it's very accurate. Let me see what sort of person will make your future husband.

Zhen Zhen: How should we go about it?

Siu Ling: As you shuffle the cards, think of the question that you'd want to ask and draw 3 cards.

Zhen Zhen: Must I close my eyes?

Siu Ling: Of course you have to in order to have full concentration.

(Zhen Zhen hands Siu Ling the 3 cards and the latter arranges them on the table.)

Siu Ling: These 3 cards represent the past, present and future respectively. The one representing the past is the Hermit. It means your past has been lonely and empty. Well... it fits. You've never had a boyfriend.

Zhen Zhen: What about the next one?

Siu Ling: Coming. (flips the second card) It's the Chariot. It means that your future boyfriend is a warrior filled with righteousness. He'll always challenge fate and not submit himself to it.

Zhen Zhen: Does it represent the possibility that my future boyfriend will be a police officer?

Siu Ling: You said it yourself. I've got nothing to do with it.

(Siu Ling turns over the final card revealing the Death card.)

Zhen Zhen: What about this?

Siu Ling: (knew something was amiss) Let's not play anymore. If we continue, you might think I'm playing prank.

Zhen Zhen: Siu Ling, why don't you have a go at it too?

Siu Ling: Why should I?

Zhen Zhen: It's just for fun. Come on...hurry up. (Siu Ling hands Zhen Zhen 3 cards...)

Siu Ling: Turn them over, you don't know how to read them.

Zhen Zhen: Who says I don't? They're the same as mine.

Siu Ling: What a coincidence.

Zhen Zhen: Ah! Does that mean you'll be fighting with me for a boyfriend?

Siu Ling: Are you nuts? Is there only one policeman in this world? Won't a fireman do?

Zhen Zhen: That's right too...

Siu Ling: Let's go.
