

My Date With A Vampire — Episode 20
Hmm...not too bad (Part 2)

Zhen Zhen: I'm not disturbing you, am I?

Siu Ling: No. What has happened?

Zhen Zhen: I'm not sure what has got into me recently. I keep dreaming of the scene where I'm dancing with one guy somewhere. I kept hearing a voice calling "Ah Suet, Ah Suet".

Siu Ling: Silly girl. You must have been thinking so much that you're having illusions now.

Zhen Zhen: It's not this. The feeling is very real. No matter where I go, be it to school or just walking on the streets, I have the feeling that a pair of eyes is watching me. Do you think I've met with some spiritual being?

Siu Ling: How can it be? You look perfectly fine except that you're a little tired.

Zhen Zhen: It means there's nothing. Perhaps I've been thinking too much.

Siu Ling: Precisely! If I were you, I'd see a doctor and get some sleeping pills. After that you'll have a good sleep and nothing happens.

Zhen Zhen: How can one fall asleep so easily? Is there any amulet that can help me find Tin Yau?

Siu Ling: Silly girl, there isn't such amulets around. You're always thinking about others. If you're gonna continue this way, you'll break down soon.

Zhen Zhen: Then I'll see a doctor tomorrow. If Tin Yau were to see me in this state, he'll not be pleased.

Siu Ling: Don't worry too much. Go back and sleep early. When you wake up, everything will be fine again.

Zhen Zhen: If you have any news of Tin Yau, remember to call me.

Siu Ling: (agrees) Bye bye.

Zhen Zhen: Bye bye.

Siu Ling: Sleep early.

Tin Yau emerges from the room...

Siu Ling: You heard everything. I told you to make things clear to her earlier on.

Tin Yau: Do you think that I've not tried? I just can't do it.

Siu Ling: I don't care how you do it but if anything should happen to Zhen Zhen, I'll not let you off.

Siu Ling goes into her room...

Siu Ling: Stupid vampire! What do you exactly want?!
