

My Date With A Vampire 2 – Episode 10

Domoto Becomes A Real Vampire

Domoto: Heavenly being?

Tin Yau: I'm not some heavenly being. I'm here to avenge Mong Mong.

Domoto: There's no reason you're not a heavenly being. You told me. When you killed my grandfather that year, you told me that I'm just like you. We're vampires.

Tin Yau: Your grandfather?

Domoto: Yamamoto Katsuo. (San Boon Yat Fu)

Tin Yau: You're that kid?

Domoto: Yes. Yes! We belong to the same species. Do you remember?

Tin Yau: I didn't kill your grandfather.

FLASHBACK

Yamamoto tries to kill Kwok Wah with his sword. He was shocked to see his enemy undefeated. Kwok Wah told him that he's no longer a human being but a vampire.

Despite being told that he neither age nor die, Yamamoto continues to assault him. Kwok Wah hoped that Yamamoto would leave his family in peace; otherwise he'll be back to kill him. Yamamoto felt that he was the luckier of the two as Kwok Wah will live on to see his loved ones die while he can choose to die.

THE PRESENT

Tin Yau: I've never seen one die so happily because to Yamamoto, a vampire is nothing but a joke.

KEI LOK AND LEI WAI SI APPEARS

Domoto: No! It's not a joke. Vampires are above all and romantic. Vampires are gods that never die! If I'm not a vampire, then what am I? What have I been doing all these years? What have I done?

Tin Yau: I won't be bothered if you continue thinking that you're a vampire but I'm going to let you know in a while that you're not an immortal.

Domoto: Don't kill me....

Kei Lok rescues Domoto

Domoto: Who are you?

Lei Wai Si: If you don't want to die, don't ask.

Tin Yau appears in front of Wai Si and Domoto.

Tin Yau: What do you want him for?

Lei Wai Si: You're surprisingly fast.

Kei Lok (from behind Tin Yau): You move on first. I'll take him on alone.

Lei Wai Si: Just the same a reminder, don't play too long.

KEI LOK FIGHTS TIN YAU; TINYAU LOSES.

Domoto: Who are you people? Why do you bring me here?

Lam Dai Lek: How are you? Haven't you turned into a vampire?

Domoto: I am a vampire.

Lam Dai Lek: Don't joke. Be serious. (Checks his organizer) Are you Tong Boon Zheng (Domoto)?

Domoto: So what if I am?

Lam Dai Lek: It can't be. It's stated here that this time today you'll become a vampire. If you don't become one, how's this drama gonna go on?

Lei Wai Si: Don't tell me that Fong guy had no intention to turn him into one but to kill him?

Domoto tries to escape but was stopped by Lei Wai Si who just returned.

Lam Dai Lek: Do you long to be a vampire?

Domoto: I've told you I am one!

Lam Dai Lek: You aren't one yet but it's your fate that you'll definitely be one. he two of you, lend him a hand.

Kei Lok: I'm not interested in guys.

Domoto: What are you trying to do?

Lam Dai Lek: I want to create your future and change your fate.

Lei Wai Si bites Domoto and dumps him on the street.
