

My Date With A Vampire 2 — Episode 7

Mong Mong Had Inner Beauty

Siu Ling: We still don't have any clues after working on the case for so many days. All the victims had nothing in common.

Tin Yau: Perhaps we overlooked some clues.

Siu Ling: Yes, Kau Suk said that all victims' birth characters had a catastrophic part, and that is all.

Tin Yau: There is one more thing. All of them are females and are pretty in the eyes of men.

Siu Ling: So in the eyes of a man, do you think Mong Mong is a pretty girl?

Tin Yau: Not all men look at the superficial aspects. Mong Mong had inner beauty.

Siu Ling: And that means she's not pretty. Serial killers don't usually change the rules of their game.

Tin Yau: Do you mean the murderer killed the wrong person? Who do you think should be his real target?

Siu Ling: How would I know. I was just trying to bring up some points for discussion. Hey, where do you want to go afterwards?

Tin Yau: Didn't you promise to accompany Zhen Zhen and Mong Ma (Mong Mong's mum, Ma= mother) to attend the beauty pageant's finals?

Siu Ling: How would I have the mood to? I've cancelled it. How about you?

Tin Yau: I've got nothing. Why not go back to Ka Ka building? You've not had a wink of sleep for several nights. Go take a bath and rest.

Siu Ling: OK, let's go.
