

Reincarnation 2 — Episode 21

I'll Allow You Three Moves

---

Emperor: You may begin.

Prince: Wait! Wait! Glad we're still in time.

Emperor: What are the two of you doing here?

Princess: You still dare say it?! There's something to watch and yet you didn't get us to come along.

Prince: We heard that General Lau is having a duel with Siu Jee, how can we miss it?

Emperor: Don't be a busybody.

Princess: Siu Jee, let me tell you something. I've betted that you'll win this match.

Siu Jee: How much are you betting?

Princess: A lot.

Siu Jee: Place another 500 teals.

Princess: Do your best.

Emperor: You may begin.

General Lau gets ready...

Siu Jee: We're only having a friendly match. Don't get too nervous. What's this for? How about this? (Siu Jee making Lau an offer.) I'll allow you three moves. Should I retaliate within the three moves, I'm the loser, ok?

Lau: Make sure you keep your word.

Siu Jee: ok...ok...I'll step back. Remember don't get too nervous. (moves back) Come on!

After 3 moves, Siu Jee strikes and gave Lau several kicks on the face until he finally fell.

Eunuch Lau: (to his nephew) Are you all right? (to the rest) He admits defeat.

Siu Jee: Are you sincere?

Lau nods his head. The Prince also admits that he'd lost the bet to the Princess. The Emperor decided that since Siu Jee's skills are much superior to that of Lau, Siu Jee will take over Lau's position as the General while the latter will be a deputy. (Eunuch Lau felt that the Emperor, together with Siu Jee, is out to destroy his plans.)
